

HALT MAL KURZ (Page II)

$$J_1 \cong J_2$$

$$J_3 \cong J_4$$

2 Jugglers will always undergo the same transition.

EX.: J1 and J2 will always be **feeder with left passes**, while J3 and J4 will be **feeder with right handed passes**

passes with	L	R	L	R	L
J ₁	A' → C → B' → M → A'				
J ₂	B' → M → A' → C → B'				
J ₃	C' → B → M' → A → C'				
J ₄	M' → A → C' → B → M'				

Hands are mirrored after every period. Left handed passes become left handed passes and vice versa. Mirrored side is marked by (').
